12th Annual State Street Farmer's Market Customer Appreciation Day Set

Each year the State Street Farmer's Market takes one day in which they officially recognize the customers who keep the market alive. Through the years customers who frequent the market are looked upon as friends of the farmers, with the farmers looking forward to their weekly visits. During the years the farmers share with them everything from their gardening techniques to recipes that will allow them to enjoy their fresh bounty purchased at the market

On Saturday, October 8, 2011 the market will host the 12th Annual Customer Appreciation Day. There will be fresh biscuits, tomatoes, eggs, and all the hot coffee you can drink. Bring the family, visit with a farmer and enjoy a free country breakfast. Breakfast will be served from 8:00 A.M. – 10:00 A.M. or as long as supplies last.

While you are at the market pick up your free copies of the 2011 State Street Farmer's Market posters. There are six posters that frame well for your kitchen or dining area.

The State Street Farmer's Market is located in historic Downtown Bristol at 810 State Street. The market opened in 1999 and has been recognized as one of the premiere markets in the state of Tennessee.
