Butterfly Walk at Rooster Front Park

What: We will take an easy walk, stopping to observe and enjoy some of the various butterflies that can be found in the park. We should see swallowtails, whites, sulphurs, blues, azures and skippers. We may also find hairstreaks, fritillaries, crescents, ladies, admirals, buckeyes, monarchs and more. We will discuss interesting facts about butterflies as we go. Bring your binoculars and/or cameras. This activity is suitable for all ages

When: Saturday, May 21st – 1:00 pm

Where: Rooster Front Park off of Vance Drive in Bristol, TN
Meet in the parking lot.

Who: This activity will be lead by Larry McDaniel, Asst. Park Naturalist with Parks and Recreation Department.
