## City Receives Check for Beaver Creek Flood Reduction

Mayor Don Ashley and members of the Bristol Virginia City Council, along with City Manager Dewey Cashwell presented a check to the Bristol Tennessee City Council in the amount of \$331,223.00 as its share for Phase I of the Beaver Creek Flood Reduction Project in downtown Bristol.

The Project Partnership Agreement with USACE and a Cost Sharing Agreement with Bristol Virginia was approved by the City Council in May 2011. This payment will allow Phase I of the project to advance towards bidding and then construction later in the year culminating a process now a decade long to cause flood reduction measures to be constructed to protect the downtown area.
