City Receives Financial Reporting Award

The Certificate of Achievement for Excellence in Financial Reporting has been awarded to the City of Bristol by the Government Finance Officers Association of the United States and Canada (GFOA) for its comprehensive annual financial report (CAFR). The Certificate of Achievement is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management. According to the City's Director of Finance, Tara Musick this award is a testament to all the hard work of the finance department's staff. "This is a year-round project, that requires much work and dedication from all involved," said Musick.

The CAFR has been judged by an impartial panel to meet the high standards of the program including demonstrating a constructive "spirit of full disclosure" to clearly communicate its financial story and motivate potential users and user groups to read the CAFR.
