## **Fairmount Neighborhood Plan Moves Forward** **with Community Meeting**

The Fairmount Neighborhood Plan moves forward with the first meeting of residents of the city's historic Fairmount community and city staff. On Thursday, April 21, 2011 at 6:00 p.m. in the Fairmount School Cafeteria city planners, along with the Director of Community Development, Shari Brown, will be there to introduce the project and gather information on what is valued in the neighborhood as well as thoughts regarding the neighborhood's future.

For more information about the area, residents may go to the city's website at [www.bristoltn.org](http://www.bristoltn.org). Visit the Community Development pages where you may view the map of the area being discussed, Fairmount Fast Facts, as well as all previous media releases on the subject. The city recently delivered flyers to each of the property owners making them aware of the meeting and have begun receiving feedback already.

"This neighborhood plan involves approximately 1100 different pieces of property. We would like to obtain the views of as many of the residents in the area as possible. We want to know what their feelings are about the neighborhood. What they would like to see happen, what they would like to see change, things like this," said Brown.

If there are questions about the program or the meeting please call the Community Development Department at 423-989-5514.
