Friday, October 14, 2011

## Media Advisory

**What:** West State Resurfacing Project

**When:** Scheduled to begin Oct. 16, 2011

**Where:** West State Street, Bristol TN/VA

**Why:** Due to weather and its effects on other projects, the resurfacing of West State Street has been delayed from the planned start this coming Sunday night, October 16, 2011. The city will alert media when the new start date and time of project as received from TDOT (Tennessee Department of Transportation). The city does not expect a lengthy delay.
