City Recognized for Excellence in Financial Accounting

The City of Bristol was recently awarded a Certificate of Achievement for Excellence in Financial Reporting by the Government Finance Officers Association of the United States and Canada (GFOA) for its comprehensive annual financial report (CAFR). The Certificate of Achievement is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management. "The award signifies to the community the professionalism by which our Finance Department goes about its daily routine of accounting for taxpayer dollars. Tara Musick and her staff are commended for a job well done," said City Manager Jeff Broughton.

The CAFR was judged by an impartial panel to meet the high standards of the program including demonstrating a constructive "spirit of full disclosure" to clearly communicate its financial story and motivate potential users and user groups to read the CAFR.
