Energy Efficiency Assistance Program Neighborhood Meeting

The City of Bristol has received a grant to assist low to moderate income families who own their homes within the Fairmount district, Alabama/Melrose area and the Anderson/Windsor area. The Energy Efficiency Program will help with some energy improvements such as insulation, windows, roofing, HVAC, etc.

There will be a public meeting on Monday, March 31, 2014, 5:30 PM at the Slater Center located on 325 McDowell Street. This meeting will inform the public of the criteria required to apply for the grant and the application process.

For more information contact Mindy Bowman at mbowman@bristoltn.org or 423-989-5521.
