Eliminator, ZZ Top Tribute Band, takes the stage at Bristol's Downtown Center

The Eliminator Band is the original ZZ Top Tribute Band. The Eliminator Band played their first show in 1992 and hasn't stopped since! Come out to the Downtown Center located at 810 State

Street to hear some of the best of ZZ Top. With close attention to detail The Eliminator Band faithfully reproduces the tone, taste, and tenacity of "That Lil' Ol Band from Texas". The Eliminator band plays ALL the greatest ZZ Top hits from the radio classics "LaGrange" and "Tush" to their ground breaking music videos, "Sharp Dressed Man" and "Legs" which helped define MTV in the 80's.

The band will take the Downtown Center stage at 7PM on Thursday, August 14th. As always there is no charge for the concert, plenty of seating will be available along with food and drink on site.

"ZZ Top is one of those bands everybody loves, their music crosses all age groups," said Darlene Cole, Deputy Director for the Community Relations Office which oversees the city's entertainment venues.

"This is one band you don't want to miss this summer. With twenty years of impersonating ZZ Top this band has the performance that is the next best thing to being at a live concert with ZZ Top! Take a stroll through downtown Bristol and see where the music all began. "It is a great way to spend a warm summer evening under the stars with family and friends," added Cole.
