## **Billboard's Chart Topping "Lover, Lover" Artist to Perform at Steele Creek Park**

The jury is in; Nashville recording artist Jerrod Niemann has the #1 country album in the nation. As *Judge Jerrod and the Hung Jury* tallies first-week sales, his single "Lover, Lover" is climbing the country radio charts. The single, at #3 on Billboard, has a strong possibility of finding the #1 slot by Thursday, August 5, 2010 when Jerrod will be in Bristol, Tennessee's Steele Creek Park for a free concert.

On August 5 Downtown Center's Full Moon Jam concert series will be combined with the Steele Creek Park's Pavilion by the Lake music series for an evening of entertainment from one of country music's rising stars. The concert will begin at 7:00PM. There will be free pizza for the first 100 concert patrons and freeze pops for all.

Don't miss the chance to hear Jerrod Niemann performing his newest Billboard topping song "Lover, Lover" at Bristol's beautiful Steele Creek Park. Free parking and shuttle service will be provided. Come early and bring the family for a great evening of entertainment.
