The Haunted Howl disc golf tournament announced at Steele Creek

We are all familiar with the haunted howls of Steele Creek Park, right? This year, park officials have decided to recognize the long talked about phenomenon and do something to honor the howls during the howl high season- Halloween.

The “Haunted Howl” Disc Golf Tournament has been set for Saturday, October 25, 2014 at Steele Creek Park. Steele Creek is a tournament player’s course designed on the traditional golf course at Steele Creek Park. Featuring back to back water holes and multiple big-air downhill drives, Steele Creek is a championship caliber disc golf course in the beautiful Tennessee hills.

Steele Creek Golf course is only open for disc play five days a year. Don’t miss out on this opportunity to play the most exclusive course in Tennessee. The field will be limited to 90 players. “This is a unique opportunity to play disc golf on a manicured golf course and enjoy the hospitality of the City of Bristol and Steele Creek Park,” said Mike Musick, Recreation Superintendent. “This is one of the most exciting events we will host in disc golf play. It is a great time of year; the weather should be cool yet comfortable. We are expecting a great turnout, so everyone needs to register early.”

All players will receive a tournament shirt, stamped disc, and mini disc in their players pack. For more information and to register go to www.bristoltn.org then click on Parks and Recreation tab on the left. Please be sure to give your shirt size. Lunch will be available on site but will need to be ordered as one registers.
