Charlie Robinette Park to be Dedicated

A dedication ceremony for the Charlie Robinette Park will be held at 4:00 p.m. Friday, April 23, 2010.

The newest park in the Bristol Tennessee parks system is located on Vance Drive directly across from Rooster Front at Steele Creek Park. The park contains a fully accessible picnic shelter and a multi-sports field. This park will provide a continuation of the Steele Creek Park walking trail. Restrooms will also be available on site.

City Council approved naming the park in April 2009 in recognition of the career service of Charlie Robinette spanning 38 years with the City of Bristol Tennessee.
