## **State Street Farmers Market Accepting Vendor Applications**

Are you a local farmer or artisan interested in showcasing your product? If so, join the State Street Farmers Market in historic downtown Bristol May 1- October 31. The market is accepting applications for the upcoming market season. Go to [www.bristoltn.org/farmersmarket.cfm](http://www.bristoltn.org/farmersmarket.cfm) or [www.statestreetfarmersmarket.com](http://www.statestreetfarmersmarket.com) for an on-line application. A copy of the market polices are also available on the website for your perusal.

The State Street Farmers Market was founded in 1999. It has operated within the Downtown Center site located at 810 State Street since its opening. The charming downtown attraction flourishes every year with new and founding farmers providing locally grown produce for the home table. Talented local artisans also provide unique and homemade products for customers review. The market features live music or chefs' demonstrations weekly.
