## **First Concert of the Season Announced for Steele Creek Park** **Pavilion by the Lake Concert Series will feature Entice**

Back by popular demand the band “ENTICE” will be performing at the Pavilion by the Lake amphitheatre in Steele Creek Park on Friday, June 25, 2010 at 7:00 PM. The band first appeared in Bristol two years ago at the Great on State Concert Series where it was well received by the Motown music fans in the area.

The Entice Band consists of 6 highly talented professional musicians in the southeastern United States. They have a vast repertoire of music going back into the fifties and sixties, and covering all the way to today’s hits. The band has a deep belief that people want to be entertained instead of just hearing the band.

As always the atmosphere is family oriented and there will be free corn dogs hot off the grill along with a cool popsicle to cool you down as the band takes the stage. It’s a beach ball party on the lake and we are even providing the beach balls.

There is no charge to enter the park or for the event. Shuttle busses will be running throughout the evening to take you to and from you vehicle. Park in any of the parking lots throughout the park and get a free ride to the concert at the pavilion.
