Herbarium Day at Steele Creek Park

What: There will be guided walks where you will learn about plant diversity in the region. We will collect some plants to be used in the park herbarium. There will be a workshop in which you will have hands on experience identifying, preparing, pressing and mounting plants. This activity is well suited for high school age and up. The event is free. Bring a bagged lunch.

When: Saturday, September 25, 2010 - 10:00 A.M.- 2:00 P.M.

Where: Steele Creek Park Nature Center and Lodge
80 Lakeshore Drive, Bristol, TN.

Who: Meet Larry McDaniel, Asst. Park Naturalist
Parks and Recreation Department

Special Guest and Workshop Leader is:
Tim McDowell, Ph.D.
Dept. of Biological Sciences
East Tennessee State University

Contact: Steele Creek Park Nature Center @ 423-989-5616 or
lmcdaniel@bristoltn.org for more information.
