

Fall Activities at Steele Creek Park

Friday, 12 September, 4:00 pm

Fall Wildflowers and Butterflies – Meet Don at the Nature Center for a moderate foray into the woods looking for some of the year's last splashes of natural color.

Friday, 17 October, 5:00 pm

Reptile Walk – Meet Jeremy at the Nature Center for an easy walk looking for our wild snakes, lizards, and turtles! This might be our last chance until 2015!

Friday, 07 November, 3:00 pm

Fall Colors Hike – Meet Jeremy at the Nature Center for a strenuous hike into the knobs in search of amazing fall colors and beautiful vistas! Bring water and maybe a snack on this hike.

Friday, 05 December, 4:00 pm

The Holiday Hike – Meet Don at the Nature Center for a moderate hike finding winter wonders including Christmas ferns, mistletoe, and hollies. Learn some folklore along the way, and even help find and collect the 2014 Christmas tree for our Nature Center!

Nature's Classroom Saturday Morning Nature Hikes,

Beginning at 9:00 am at the Nature Center this Fall

These are ideal for elementary school-aged children (and their families!) to come strengthen their science curriculum! Topics will vary each week but will adhere to Tennessee science standards for natural sciences and related topics! Call to find out more...

Save the Date - 10-11 October 2014
17th Annual Wildlife Weekend

**All programs are free and will begin from the Steele Creek Park Lodge,
located beside the Nature Center.**

Get your Passport to Nature at the Park Lodge Friday, October 10, beginning at 6:30 pm.

An evening program will follow the reception and photography contest awards.

Then, join us on Saturday, 11 October, beginning at 8:00 am. Bird banding, LOTS of kids' activities, fossils, wildflower and mushroom walks, seminars, workshops, and much more with area experts will be ongoing throughout the day.

Be on the Lookout for the Official Posters, Coming Soon!!!

Call the Nature Center at 423.989.5616 for more information.
