28th Annual Country Christmas Show Set for Viking Hall

Each year families have planned their Thanksgiving holiday weekend to include a visit to the Country Christmas Show hosted at Viking Hall Civic Center. This year, the 28th Annual Country Christmas Show has added even more to their already impressive lineup to make this event something out of the ordinary. The show is scheduled for Friday, November 26 and Saturday, November 27 from 9AM to 6PM and Sunday, November 28 from Noon to 5PM.

One of the opportunities to make this season special is finding many unique vendors under one roof. So few things are handmade with heart that finding them all together is like finding treasure. At the Country Christmas Show, you can find hand-crocheted snowflakes to hang on your Christmas tree. There are wooden reindeer handmade from sassafras logs available. If you want something a little softer under your tree, a hand made teddy bear would be a great addition to any holiday. To bring a unique and warm gift to the tree this holiday season, you can purchase one of the hand-felted hats available at the show. Not only are these items, and many others, great one of a kind gifts, but they are each special because of the rarity of those who make such treasures these days.

Again this year the show will also be receiving food donations for the Second Harvest Food Bank, providing yet another way to support our region.

More detailed information about the event can be found on their website, <http://www.countrychristmasshow.com>. or call Daisy Carroll at (423) 247-6760 or (423) 360-5809 for additional information.
