

Let's Have Some Reel Fun!

## GO TO THE DIY DRIVE-IN THEATRE

Family Time, Popcorn, Candy, & A Movie

Don't just watch a movie make it an experience by creating a DIY drive-in theatre. Have kids make their own cars from moving boxes or laundry baskets.

Don't forget to make a cozy interior of blankets or pillows. Have the kids make signs for the drive-in & concession stand, stocked with popcorn, drinks & candy.

Make it authentic by making drive-in speakers for each "car" using cups & string.

A stylized illustration of a red and white striped popcorn bucket. The bucket is overflowing with yellow and white popcorn. A white oval with a red border is positioned on the front of the bucket, containing the word "POPCORN" in a red, bubbly font.
